

**Example phone call to your Congressman/woman's office
when supporting Ally's Act, H.R. 5485**

Hello! I am calling today to ask Congressman or Congresswoman X for support on co-sponsoring a bill that was recently introduced. **This bill is referred to as H.R. 5485 and is called Ally's Act.** Ally's Act will help thousands of children (just like mine) and adults (just like me) be able to obtain hearing devices called bone anchored hearing aids and cochlear implants through private insurance providers as these hearing devices are often denied coverage. Children ages zero to age five need to hear as their speech and language skills develop and adults need to be given the opportunity to hear throughout life. Please help support Ally's Act requiring insurance providers to cover these critical and life-altering devices which will allow children and adults with hearing loss the opportunity to live healthy and fulfilling lives.
